D4HG CHRISTMAS IN THE CHAPEL

Our Teachers have started teaching their Classes the Christmas Dances they will perform for Family and Friends the last week of Dance before the Christmas Break. Please make every effort to be in class each week so your dancer will learn all the choreography to be ready to dance and feel confident!

There will be no regular classes the week of the FREE Christmas performance at 5pm (check in at 4:30) on your class day:

Monday Classes 12/19, Tuesday Classes 12/20, and Thursday Classes 12/22

Dancers will wear their regular dress code for class with the addition of a holiday accessory (ex. hat, scarf, anything green or red, etc.).

Teachers will notify their classes with specifics! Be on the look out for more details!

SPRING RECITAL COSTUMES

Costumes fees have been paid (1/2 in September and 1/2 in October) so, your November tuition will return to it's normal amount! We will begin measuring for costumes very shortly- another important reason to come to class each week! Spring Recital Costumes will be ordered in the Fall to have them in time for our Spring Recital Pictures in March, and Recital in May.

IN THE BEGINNING

Our Company Dancers, the DMC, our Apprentice, and Jr. Apprentice Dancers began learning choreography in the summer. They have all been working so hard and invite you to come to their Fall Show "In the Beginning", The Story of God's Creation, Man's Fall, and the Gift of Jesus, on Saturday, November 12 at 6:30pm in the FBCW Chapel. Tickets (\$10) can be purchased from any DMC Dancer, Apprentice, Jr. Apprentice Dancer, or from the Directors. We hope you will come and support our sweet and talented Dancers who've been working so hard to bring this incredible story to life!

Studio Closed for Thanksgiving 11/21-25, and Christmas 12/26-1/6
