

We're off to a great start in 2024!!

February 2024

THE DIRECTORS ARE HERE FOR YOU!

We LOVE to keep our office door open so we can be easily accessible to you! Unfortunately we often have to close our door because of the noise levels and activity outside our door. Please, keep the area outside the Directors office clear. If a seat at the tables in the B220 hallway is not available, please sit in the B210 or B200 hallway. Please be mindful to keep a clear walkway in the halls. To limit the distractions for the students in class, please keep siblings away from the danceroom doors- Jiggling the door handles and knocking or kicking on the doors can be a big distraction to the class!

THE COSTUMES ARE COMING!

We have begun handing out Recital Costumes in class. Please try on your costume at home- making sure you pull up the costume by the waist, and not the shoulder straps. Keep any/all accessories with the costume and hang it in a safe place in a closet. No playing in costume until AFTER Recital!!! Your dancer will also wear their costume for Recital pictures the week of March 25th. We will not have dance class that week. We will be sending out Picture week details soon.

RECITAL DANCE CHOREOGRAPHY!

Dance Teachers are teaching recital choreography to their classes, so please make every effort to be in class each week. We are not able to offer make up classes once teachers begin teaching choreography.

WEAR YOUR TUTU!

We WILL have classes the week of February 19, Cherokee County Schools Winter Break. You can wear your favorite recital costume, pink or red accessories, or a tutu to class that week!
