

We're so glad you're here!!

September 2022

Studio **CLOSED**- Labor Day 9/5

Studio **OPEN**- Cherokee County Fall Break **9/19-23**

Thank you for entrusting us with your child's dance education. We are honored to come alongside you. Dance is a discipline and it is so important to make sure your dancer is dressed properly and has the correct shoes for class. Being in dress code limits class distractions, and helps the teachers easily spot corrections that need to be made to specific students to help them develop and improve their dance technique. Reminder: Hair should be in a bun with hair secured from hanging in the face for all ballet classes. All other classes hair can be in a bun or ponytail with hair secured from hanging in the face. Beginning in September, the Teachers will be sending out dress code reminders. If you have placed a dancewear/dance shoe order and it has not shipped yet, please let your teacher know!
